

# PRIDE AT WORK

## membership form

*we are lesbian, gay, bisexual, and transgender labor!*

Do you believe that all working people deserve affordable healthcare, equitable benefits, family recognition, and a workplace free of discrimination or harassment on the job. Then you belong in the Pride At Work family. Pride At Work is the only organization for union members run by union members for the sole purpose of educating our union brother and sisters about the important issues and needs that working class lesbian, gay, bisexual, and transgender people face. Yearly membership in Pride At Work is \$30 dollars. With that, you'll receive timely updates on issues of importance to LGBT workers via email and snail mail. You'll also be given the opportunity to join your local Pride At Work chapter to get out and active in your own community for justice.
